Dear Sir or Madam:

I hereby notify the Food and Drug Administration (FDA) of the use of a statement of nutritional support in the labeling of Carlson Cranberry Concentrate. Carlson Division of J. R. Carlson Laboratories, Inc., Arlington Heights, Illinois 60004, is the distributor of Carlson Cranberry Concentrate.

Statement being made in the labeling of Carlson Cranberry Concentrate.

"To help maintain a healthy urinary tract."

To the best of my knowledge, and based upon information and belief present at the time of the executing of this notice, I certify that the above information is accurate and complete; and that J. R. Carlson Laboratories, Inc. possesses substantiation that the statements are truthful and not misleading.

J. R. Carlson Laboratories, Inc.

By: 
Susan Carlson, Vice President

LET 4406

**To help maintain a
HEALTHY URINARY TRACT***

One Soft Gel provides the same nutritive value as two ounces of Cranberry Cocktail - without the added sweeteners and unpleasant bitter taste.

Carlson Cranberry Concentrate is cold-pressed from fresh, ripe cranberries; concentrated by the removal of water; then encapsulated to preserve the freshness of the juice concentrate. No sweeteners (sugar), preservatives, artificial colors or flavors are added.

Supplement Facts

Serving Size 4 Soft Gels Servings Per Container 25

| | Amount Per 4 Soft Gels | % DV |
